

FREE TRIAL OF LIGHT THERAPY
FOR HAIR LOSS

Do you have
premature hair loss
that is troubling you?

Are you 18 to 65 years old?

You are likely eligible for a new study being conducted by the doctors at Sinclair Dermatology using a *light therapy cap* to activate new hair growth.

Participants must:

- Be aged 18-65 years old
- Have pattern hair loss
- Have fair to tan skin
- Be willing to have hair at least 1" long, and have it cut and styled 1-5 days prior to your visit
- Be able to visit the clinic on at least 4 occasions over 6 months
- Be able to wear the cap for 10 minutes each day

Participants will be provided the study cap, study equipment and study care at *no cost*.

Please call: 0455 915 411
